

Peters Billiards, First Phase Opens

Peters Billiards, the Minneapolis-based retail landmark which was taken over by the Minnesota Department of Transportation via "Eminent Domain". (reported in *Pool & Billiard Magazine* in 2005), has opened the first phase of its new store, just 27 feet to the west of the original location.

The new 17,000 square-foot store featuring game rooms with pool tables, bars, game tables, accessories, etc... will be one of the largest game room stores in the country when completed (September, 2006).
