Details

Description

The half-inch thick fiberglass ribs allow the frame to bend and flex easily in windy conditions, while the durable aluminum center pole, and maintenance-free resin and stainless-steel parts ensure this umbrella will provide years of worry-free shade. Choose from a heavy gauge pulley system, sturdy crank no-tilt, or industry-best crank auto tilt. Available in six sizes and seven beautiful frame finishes, the Monterey is designed to allow you to bring commercial durability home to your cherished outdoor living space.

Crank Lift / Auto Tilt

The ONLY crank auto tilt in the industry designed and warranted for commercial use. A cast 316 stainless-steel crank and 60° of effortless tilt assures shade at any time of the day.

Features:

- 316 cast solid stainless steel crank handle and axle
- 1/2" fiberglass ribs and struts for maximum strength and flexibility
- 1.5" diameter center pole with a 1/8" aluminum wall thickness provides incredible strength and durability

- Stainless steel grommets attach the canopy securely to the frame
- Modular design
- Stainless steel hardware throughout

Mounting Options

Properly securing your umbrella is crucial to ensuring years of sun protection and longevity. Frankford's umbrellas are all thoroughly tested and built to ensure durability and longevity, however we do not recommend the use of any non-permanent umbrella in unsafe wind conditions. The size and installation location of your umbrella play a significant role when selecting the base/anchoring method required for safe operation.
