Details

Description

The Air FX Pro Air Hockey from ICE is the perfect addition to any home. This 8ft regulation size table is made of powder coated steel for strength and durability, and features hardwood accents that will make it the envy of your friends.

The American-made construction ensures that this table will last for many years of intense air hockey matches.

The main table weight is 200 pounds, legs are 50 pounds each.

PROGRAMMABLE LEDs

With the ability to program LEDs on the bottom legs and corner playfield. The LEDs are linked to create a unique "X" pattern. With this feature, you can create your own unique lighting effects and patterns to enhance your gameplay and make your Air FX Pro stand out.

Easy to install and maintain

Installable with two people, this table is a must-have. Installation takes 30-45 minutes. The main table weight is 200 pounds, legs are 50 pounds each. Air FX Pro features an easy to access maintenance door. This door has been designed to provide quick and easy access to electronics. Air FX Pro comes equipped with handles to make moving it even easier.

ARCADE QUALITY FOR YOUR HOME

Air FX Pro features the same great design and build quality as our arcade Air FX. The beautiful backlit 3/8 Inch LED acrylic play surface is sure to look stunning in any space. Innovative new Phenolic material for state of the art bumper system allowing for a quieter game play.

The American-made construction ensures that this table will last for many years of intense air hockey matches.
