The Avana collection was designed with simplicity and comfort in mind. Its transitional profile features a modern swooping arm that is echoed in the gracefully balanced design of the back. The deep seating features our Plush Comfort cushion technology and Sytex seat support for the ultimate in comfort. Sunbrella Sling is incorporated on the dining and chaise seating, adding an extra level of ease and durability. Avana is a full-line collection, which includes dining, balcony, deep seating and lounge pieces.
