Description

There is no shortage of intuitive design inside either, with an auto-on light, a conveniently placed power strip (for small appliances) and pull-out work surfaces. The mirrored doors lock for additional security and adjustable floor levelers provide optimum stability.

- Storage shelves on the inside of the doors are adjustable and removable
- An upper fixed shelf may hold glasses and tumblers
- Glass mirrored back
- Distinctive chrome-finished door pulls
- Wooden stemware racks
- Front locking doors (left door is secured with a slide lock on the upper interior)
- Auto-On™ light switch turns the light on as the left cabinet door is opened, and off when closed
- Two dovetail drawers offer ample utensil storage with smooth running metal slides
- Laminated lift-up shelf located inside each of the two drawers for additional work surface area for mixing or prep
- 180° full-length piano hinges allow doors to open wide for easy access to storage

- A 3x power strip outlet located on the main shelf for operating small appliances
- Adjustable levelers under all corners
