How to Choose your Stool Height?

Counter Height

If your pub table or your counter is the same height as your kitchen sink (between 36" and 38"), you need a counter height stool (24" or 26" from the floor to the top of the seat).

Bar Height

If your pub table or your counter is higher than your kitchen sink (between 40" and 42"), you need a bar height stool (30" from the floor to the top of the seat).
