Standard Game Play

- Players earn points (corresponding to where the bag lands on the board: 5, 3, 1, 0). If the bag gets hung up in the hole points are awarded for that hole or -1 points (if the bag has contact with anything other than the board).
- 2-8 Players are each assigned a peg number
- Player 1 begins by throwing all four bags, moves his or her peg according to the number of points scored in that turn, and then passed the bags to player 2 and so on.
- Once one player scores 22 points or more, all other players who have not had an equal number of turns will get one additional attempt.
- Should more than one player score 22 points in the same turn, the player with the highest score wins.
- At anytime should any player reach -10, they are out!
