- Top of Seat to Floor: Counter 26"

- Overall Width: 17 3/4"
- Overall Depth: 18 3/8"

## Finish & Seat Cover

**Finish:** Black Coral

The 25 Black coral metal color is a solid black with a slightly grainy texture and a matte finish . It is obtained using a baked powder paint, which gives the product a durable, environmentally friendly finish suitable for indoor use.

**Seat cover:** ES Tahoe

ES Tahoe is a black, coarse grain, highly textured faux leather.

Content: 78% of P.V.C, 0.5% of PU, 21.5% of polyester.

**Birch veneer backrest color:** Pine Cone

96 Pine cone wood stain gives a brown color to the wood with a smooth and matte finish.

Birch Veneer: birch veneer is a fine layer of birch applied to a particle board which gives it the look of solid wood at a fraction of the price. This process allows it a high humidity variations tolerance. It still requires some precautions to preserve it.
