## Details

### Description

There is no shortage of storage or intuitive design inside either, with an auto-on light, a pull-out work surface and the capability to house dozens of bottles and glasses. The glass inset doors lock for additional security and adjustable floor levelers provide optimum stability.

### Specifications

- An adjustable light switch offers four levels of lighting intensity: low, medium, high and off
- Locking, hinged front doors with significant iron finished bar pulls (the left door is secured with a slide lock on the upper interior)
- 270° door hinges allow the doors to fold flat against the sides and out of the way
- Hanging metal stemware rack keeps stemware handy and holds up to 18 large wine glass
- One adjustable glass shelf in the upper cabinet and one adjustable wood shelf in the lower cabinet
- Pad-lock cushioned metal shelf clips increase stability and safety
- A glass mirrored back enhances the view in the upper bar area
- A full-extension drawer that includes metal drawer guides which add stability
- Metal wine rack in the lower cabinet that holds up to 18 bottles

- A hinged laminated prep-shelf that's located inside the drawer provides an additional work surface area
