Specifications

This bold timepiece makes a stylish focal piece for the living room. Unique dents in the case and dial impart an antique look; the dent pattern may vary so not every clock is identical.

This round wall clock has a diameter of 34 inches, so it's easy to read at a glance. The aged nickel ring and off-white dial coordinate beautifully with any interior color palette or type of decor. Hang this timepiece anywhere in your home for a fashionable, functional accent.
