Description

The classic arcade game is back!

Cruis'n Blast, developed by the crack Raw Thrills studio team, takes Cruis'n into the new millennium as players zoom 200 mph through the bustle of London, blast through the exotic wonders of Madagascar, celebrate Carnival in Rio, amaze to the hi tech splendor of Singapore, and drive an earth-shaking thriller through Death Valley. Every track is packed with speed thrills, exploding scenery, and extreme special FX. In tune with the times, players race in an immersive cockpit simulator loaded with HD supercomputer graphics and immersive effects. The Thrill-D Blaster™ sound system recreates the sound of an actual race, backed by a pumping soundtrack that is a staple of the Cruis'n experience.
