Add a touch of classic cool to your patio with the **Farlowe collection**. Sleek, low, and linear, this elegant contemporary group features deep seating for maximum comfort, a neutral finish that blends with any aesthetic, and a wide spectrum of fabric options to suit your setting. Farlowe pieces are resilient - constructed to weather all seasons outdoors, with chic brushed aluminum framing and durable cushions made from all-weather performance fabrics.

The **Farlowe collection** features lightweight brushed aluminum framing and independent suspension for each seat. Mold and mildew resistant cushion cores are made with layered, high density polyfiber and dry conjugate blend.
