

Felt Saver Washable Lint Roller

The Felt Saver by Cue Candy is the most versatile cleaning tool in your arsenal — use it anywhere: in the game room, at home, on the go, in the car...

Details

SPECIFICATIONS

This reusable sticky roller features adhesive material tough enough to pull stubborn pet hair and chalk dust off of your pool table's delicate felt — without damaging it or wearing out.

A quick and easy way to keep your pool table cloth (or any surface) clean!

Cleaning instructions

Run roller under lukewarm water for a few seconds, rubbing any stubborn residue off with your fingers. Pat dry and use again!

Caution

Do not use soap or alcohol on roller, as this will break down the product's stickiness.
