Description

In Dr. No (1962) Sean Connery propelled 007 into the cultural zeitgeist, bringing the legendary literary figure to life through adrenalized action sequences, ground-breaking gadgets and effects, memorable characters, and timeless villains.

Stern's James Bond 007 cornerstone pinball machine will highlight film footage and iconic music from the films that built the 007 legend: Dr. No, From Russia With Love (1963), Goldfinger (1964), Thunderball (1965), You Only Live Twice (1967), and Diamonds Are Forever (1971). Players are immersed into the world of espionage in this action-packed pinball experience, tackling assignments, teaming up with key allies, and stopping SPECTRE's villainous schemes.

Gather gadgets from Q Branch as pinballs get ejected through the roof of a custom sculpted Aston Martin DB5. Break through the Osato Chemicals drop targets to battle SPECTRE at the Bird One rocket base.

James Bond 007 pinball machines include Stern's award-winning Insider Connected™ system, which enables players to interact with the game and a global network of players in a variety of ways. Through Insider Connected, players can track progress, earn new game-specific achievements, engage with the player community, and participate in promotions and Challenge Quests. Insider Connected also provides an operator-focused toolset to drive location play through Location Leaderboards, build player loyalty, analyze performance, make adjustments remotely, and maintain the machines. Registration for Insider Connected is available at
