Description

Stern Pinball, Inc. announces their newest pinball games featuring JAWS, one of the most iconic motion picture thrillers of all time from Universal Pictures and Amblin Entertainment. Players will experience all four blockbuster JAWS films like never before, with brand-new mechanical features inspired by iconic movie moments and state-of-the-art technology. JAWS pinball games are available in Pro, Premium, and Limited Edition (LE) models.

JAWS transports players to the fictional locale of Amity Island, located off the coast of Long Island, New York. The small fishing community is a popular beach vacation location in the summer. As Fourth of July vacationers close in on the island's picturesque beaches, grave danger lurks below sea level… The Amity Island mayor covers up the shark attacks out of fear of losing the island's tourism money, resulting in more terrifying attacks.

Stern's JAWS pinball games will have players grabbing their harpoons and playing as Quint, Hooper, and Brody to save Amity Island's residents and the Fourth of July! As the grizzled fishermen, tackle the most dangerous ocean creatures on the planet. Tension mounts as you see "blood in the water" from our animated lighting effects. Fire pinballs at the motorized "Shark Fin" target swimming across the playfield. Anticipation builds as you navigate the "Orca Boat" upper playfield, featuring a "Lookout Tower" ramp, a ship's wheel horizontal spinner on the deck, and a "Radio" stand-up target to call for help. Lookout! A motorized custom sculpted

“Great White Shark” bash toy comes crashing through the bottom of a fishing boat, terrorizing players in this thrilling pinball odyssey. Will you survive JAWS?!

In addition to immersive film and audio assets integrated into pinball action, JAWS includes custom speech by actor Richard Dreyfuss and the iconic movie theme music by John Williams.

“Honoring one of the greatest movie franchises of all time, we’re giving JAWS our most advanced software and hardware to date,” said Seth Davis, President & CEO of Stern Pinball, “We can’t wait to debut JAWS Pinball’s heart-pounding gameplay to the world!”

JAWS pinball games include Stern’s award-winning Insider Connected™ system, which enables players to interact with the game and a global network of players in multiple ways. Through Insider Connected, players can track progress, hunt Achievements, take on special JAWS Quests, and work on their lifetime Bounty Hunter rank.

Insider Connected also provides an operator-focused toolset to drive location play through a better player experience, game location discovery, location leaderboards, performance analysis, automatic code updates, and remote diagnostics for easier maintenance.
