The Marin collection takes inspiration from the Northern California coastal community of Marin County, located just north of San Francisco's Golden Gate Bridge. Taking cues from both natural elements as well as modern design, Marin exemplifies the relaxed yet sophisticated nature of the area.

Marin is a full-line collection that includes dining, deep seating and lounge options in both cushion and our patent pending Flex Comfort seating. Additionally, Marin cushioned deep seating features our Plush Comfort and Sytex Seating Systems, which creates a superior level of comfort.
