# McDermott G209 2pc Pool Cue

McDermott G209 2 Piece Pool Cue. Built using Birdseye Maple forearm & sleeve with dark english stain & G-core shaft

## Details

### Specifications

McDermott cues and performance shafts are some of the most recognized products in the billiard industry. McDermott cues are known for quality construction, exotic woods, intricate inlays and limitless customization options. Proudly made in the U.S.A.

**NOTE:** Some weights may not be available for immediate shipping. Please call 612-866-8433 to find out if a specific weight is available for this cue.

- Birdseye maple forearm/sleeve
- Dark English stain
- Brass and pearl rings
- Genuine Irish linen wrap
- 3/8"-10 joint
- G-Core shaft

### Triple-Layer Carbon Fiber Core

The G-Core's Triple-Layer Carbon Fiber Core extends through the first 7 inches of the shaft. This stabilizes the front-impact area of the shaft for increased control and predictability. This technology increases radial

consistency, reduces vibration and limits the inconsistencies found in traditional maple shafts.

### **Carbon Tenon Technology**

G-Core shafts feature a carbon fiber ferrule core. This technology results in a stronger ferrule assembly with maximum impact properties and enhanced feedback. The red ring at the base of the ferrule acts as a dampener to help absorb shock upon impact.

### **Radial Consistency**

Radial consistency is the shaft's ability to perform the same way on every shot, regardless of its orientation. The G-Core's Triple-Layer Carbon Fiber Core technology will consistently provide a straighter cue ball path, minimizing the need to compensate for spin and throw.

### **Navigator Black Tip**

Navigator Black tips feature multiple layers of Japanese pigskin leather that are assembled using a proprietary adhesive. This prevents oxidation, meaning the tip won't get harder after short usage. They are most adaptable tips in the Navigator line, allowing players to shape and mold the tip over time to fit their play style.

### **Warranty**

When it comes to a quality product and superior customer service, we set the standard. Our unparalleled coverage demonstrates not only our confidence in our cues, but also our ongoing commitment to you.

#### **McDermott & Stinger Lifetime Warranty**

Lifetime Warranty covers manufacturing defects, including warpage

#### **Star Warranty**

Limited lifetime warranty covers manufacturing defects, excluding warpage

#### **Lucky, Cue Kit & Youth Cue Warranty**

Three-year limited warranty covers manufacturing defects, excluding warpage

#### **Case Warranty**

□Three-year limited warranty covers manufacturing defects

#### **McDermott Lifetime Warranty against warpage and defects**

McDermott's Lifetime Warranty applies only to the original purchaser/owner of the cue and must be purchased from an authorized McDermott dealer. McDermott Cue warrants its pool cues to be free of defects in material and workmanship, including warpage, for as long as the product is owned by the original purchaser/owner.

McDermott does not warrant its product against:

- normal wear and tear including tip, finish, wrap, and bumper;
- misuse, abuse or mishandling;
- modification or improper maintenance performed by third parties or
- damage caused by exposure to extreme temperature or humidity

All warranty claims must include the complete cue and are subject to evaluation at our facility prior to approval. Products that do not qualify for the McDermott Lifetime Warranty can be serviced by McDermott for a fee. To

obtain warranty service on a McDermott product, return the product to an authorized McDermott dealer or directly to McDermott along with a copy of your original sales receipt
