## How to Choose your Stool Height?

### **Counter Height**

If your pub table or your counter is the same height as your kitchen sink (between 36" and 38"), you need a counter height stool (24" or 26" from the floor to the top of the seat).

### **Bar Height**

If your pub table or your counter is higher than your kitchen sink (between 40" and 42"), you need a bar height stool (30" from the floor to the top of the seat).
