## Details

### Specifications

- Top 22mm Thick - With Frame 72mm Thick.
- DSI Locking System: Using a central release handle, the table can be opened and closed with extreme ease! The table is fully locked in playing and storage positions. The highest level of safety on the market!
- The folding system COMPACT TECHNOLOGY® reduces the risk of tipping.
- With COMPACT TECHNOLOGY® finished space, you can slip your table anywhere without worrying about its size.
- Excellent mobility: Large diameter caster wheels with brakes.
- Adjustable and Retractable Net: This dual system means your net will always be perfectly adjusted in terms of height and tension.
- Crossing handle: This crossing handle lets you easily lift the table to avoid obstacles (step, edge of a terrace, doorway...).
- Adjustable Feet / Leg Levelers: With a wide pad, leg height can be adjusted to ensure optimum levelness.
- Corner Protection Pads: Protection on each corner of the table to guarantee maximum safety for your children.
- Ball Dispensers: Placed alongside the player, these dispensers are extremely practical, meaning balls are always within easy reach.
- Storage: Storage placed on both side of the table to store 4 bats and 8 balls.
- Made in France
