## Details

### DETAILS

Simplicity in chrome and beech. With the Stressless Style you can match your interior design with style. It is available as a sofa table and as a side table. The simplicity in use of chrome and beech materials give it a retro-modern look that goes perfectly with our sofas and recliners. The two tables have a small height difference, which gives you the opportunity to combine them in a range of set-ups.

### DIMENSIONS

- Height: 20-1/4"
- Diameter: 21-1/2"
