- Conversion top and accessories sold separately.

Dimensions

- 33 1/4" L x 16' W x 30" H

Room Size Guide

Making your billiards table work in your space

GuideRoom size is determined by extending the pool cue from the playing area of the pool table ([see diagram](#)). This is the only true measure of the room required to play comfortably around your table. Any less room will require occasional use of a shorter cue.
