The TYLER stool from Amisco charms with its sleek lines, symmetrical structure, and Farmhouse-inspired design. Its handwoven seat made of natural Danish cord and square metal base will add a rustic touch to your decor.

Details

Danish Cord Color

The Danish cord used for our seats and backrests is hand-woven. Variations in the material and its weaving are expected and give it its unique look. The Danish cord has a layer of wax that makes it liquid repellent, but some heavily pigmented foods and beverages may stain it. To clean Danish cord, dab with a damp cloth and neutral soap solution. Do not rub the material.
