- Conversion top and accessories sold separately.

Dimensions

- 33 1/4" L x 16' W x 30" H

Room Size Guide

Making your billiards table work in your space

GuideRoom size is determined by extending the pool cue from the playing area of the pool table (see diagram). This is the only true measure of the room required to play comfortably around your table. Any less room will require occasional use of a shorter cue.
