Specifications

Impart contemporary elegance to the living room with the Zeno Oversized Wall Clock. This modern wall clock is crafted from solid hickory with knots and natural edges for a rustic appearance, and it's equipped with a metal pendulum for visual interest.

This wall clock is crafted from solid hickory hardwood, which has natural distressing, knots, and edges. The Natural Gray finish enhances the wood's beauty and complements almost any interior décor. Each of these clocks is slightly different due to the natural variations in the wood.

The wrought iron-dial of this unique wall clock has Roman numerals, hands, and hour markers done in a medium charcoal finish. There's also a pendulum disc and pediment done in the same medium charcoal finish, which has silver undertones.

Although some features of this oversized wood wall clock are rustic, its proportions have a modern look to update your space.

The intricate workmanship sets it apart, conveying a earthy sensibility that is unmatched in both transitional and contemporary spaces. From the mesmerizing design to the intricate detailing, this clock is destined to be a

conversation starter.
